

Christmas party

After we had to pause our Christmas party for two years now, we are even more happy to invite you to our Katana Christmas party.

On 11.12.2022 from 2 to 6 pm we are looking forward to a cosy afternoon with lots of delicacies, good conversations and a small "flea market corner".

Mulled wine, coffee and biscuits will be donated by Katana.
Further culinary contributions from you are very welcome.

Please register for the celebration via the website by 02.12.2021.

We look forward to celebrating with you.

PS: Photos will be taken at the Christmas party and will later be published on the websites gallery.
